- Documentation supporting the proposed projection variation.

Building Regulations 2018

PART 6 – ALLOTMENTS AND PROJECTIONS

Projections: The following regulations are applicable to this form:

99/100/101 Architectural features

102 Windows and balconies

103 Verandahs

104 Sunblinds and awnings

105 Service pipes and rainwater heads (service installations)

106 Window shutters

107 Signs or similar Class 10b Structure

108 Service cabinet doors

109 Report and consent required

110 Footings adjoining boundaries are permissible

Part 8 – Division 2 – Building above or below certain public facilities

134 Report and consent required (Building above/below certain public facilities)

NOTES:

The report and consent of the relevant council must be obtained to an application for a building permit to construct any of the previously mentioned building parts where they project beyond the street alignment at a different height or distance to that specified in the *Building Regulations 2018*.

The relevant council may give its consent if it considers that the design will not be detrimental to the safety of the public.
