RECOMMENDATION

That the list of enforcement matters currently before VCAT and the Magistrates' Court (and the County Court) be noted.

EXECUTIVE SUMMARY

The following list of enforcement matters currently before VCAT and the Magistrates' Court is submitted for Councillors information.

Where breaches of the Planning Scheme are detected that cannot be satisfactorily resolved Council undertakes enforcement action at the Victorian Civil and Administrative Tribunal (VCAT).

These matters can take several forms and the following are the usual steps in the enforcement process.

Where breaches are sufficiently serious, criminal proceedings in the Magistrates' Court will be commenced, and if so, the successful criminal proceedings will usually be followed by VCAT proceedings (criminal proceedings taking precedence over "civil" proceedings)

1). Multi-purpose Hearing

This is the first stage of the VCAT process, and is held shortly after the application is lodged. It is used to assess the future path of the case, and determine if the case can be settled, or will need to proceed to a full hearing.

2). Admin Mention

Administrative Mention is a hearing held without the parties in attendance and requires written correspondence from both parties to update the Member on the process of the matter.

3). Adjournment

An adjournment will be asked for where there has been some discussion between Council and the Respondent, and more time is to be allowed for the Respondent (or Council as the Applicant) for a variety of reasons.

4). Offset plan

An Offset Plan goes by a few different names, including a Property Management Plan or a Property Remediation Plan. These plans are used when a Respondent has removed vegetation or otherwise damaged vegetation on the Land and Council is seeking a remedy for this removal, normally requiring replanting to occur on the Land. This plan is what Council will seek in the shape of an Enforcement Order, and the contents of the Plan will be decided by Council's Environment Team.

5). Full hearing

A full hearing is a hearing which is to be contested by the Respondent.

6). Consent Orders

Consent Orders are an agreement between Council and the Respondents to, in most cases, create an Enforcement Order with conditions that are agreed to by both Parties. This is done where a Respondent has accepted there has been a breach of the Act and wants to comply with Council's proposed Enforcement Order. This saves on time and money by avoiding a hearing or lengthy VCAT processes.

The following list indicates such enforcement activities that are currently before VCAT or the Magistrates' Court.
