

## 10 Notices Of Motion

### 10.1 Notice of Motion 1075 Cr Cameron

#### **Motion**

That:

1. A report be prepared for consideration at the November Council meeting outlining the impact of recent weather patterns on the performance of Council's roads, what measures have been undertaken by Council to respond to the conditions, and how it has impacted the timeliness of repair work, and
2. Council write to the Minister for Roads asking for action and a reduction in the delay in the completion of repairs to defects in the state owned and managed arterial road network.
