## Executive Summary

This report advises Council of the memberships elected for three Community Asset Committees and seeks formal Council appointment of these members. Community Asset Committee members make a significant contribution to community liveability and wellbeing through the management of fifteen recreation reserves.

## Background

There are fifteen (15) recreation reserves within Cardinia Shire managed by Community Asset Committees:

- Twelve (12) of the reserves managed by Council appointed Community Asset Committees,
- Three (3) are Department of Environment, Land, Water and Planning (DELWP) owned with Council appointed as Committee of Management under the Crown Land Reserves Act and managed by Council appointed Community Asset Committees,

Members of Reserve Community Asset Committees are elected annually, and upon election require appointment by Council resolution pursuant to Local Government Act 2020. Community Asset Committees can only be approved by Council.

This report recommends Council appoints new members for the following reserve committees following public meetings that have been conducted by Councillors or Council Officers:

- Officer Recreation Reserve.
- Worrell Reserve.
- Lang Lang Community Recreation Reserve.

Cardinia Shire Council has a huge network of volunteers who selflessly give their time, expertise, and energy to provide and develop community resources. A large part of this network is involved with managing community recreation reserves across our shire. Council values the important role that community asset committees have in improvement and ongoing management of Council's facilities. Council is committed to ensuring that these assets are maintained to a high standard by working in partnership with Community Asset Committees.

Council conducts routine maintenance and provides Recreation Reserve Community Asset Committees with maintenance allocations, workshops to up skill volunteers and access to leadership courses. To further support committees with their work, Council has recently launched the Community Asset Committee portal, as a place for committee members to access important resources, information, and dates.

Council employs a full-time Liaison Officer to support the recreation community asset committees including providing training for volunteers and assisting committees in compliance with risk requirements.

## Policy Implications

The appointments to these four reserve committees are consistent with both Council policy and requirements for Community Asset Committees.
