10.1 Notice of Motion 1079 - Cr Kowarzik

Motion

That Council write to the Department of Transport and Planning requesting:

- urgent removal of dumped rubbish from the bus stop/road reserve on Princes Highway, Pakenham (just south of Murphy Road, Pakenham).
- that a review be conducted into the appropriateness of this site for the stockpiling of construction materials, given the proximity to existing residential homes, current environmental problems and antisocial behaviour that is occurring.
- that a dumped rubbish and litter management plan be developed for this and other road-side locations across Cardinia, (but particularly along the Princes Highway and Pakenham) that includes – regular inspection and removal of dumped rubbish, preventative measures such as signage, fencing, beautification and landscaping, and/or enforcement action.
