

10.3 Notice of Motion 1105 - Review of Council's unsealed roads and drainage maintenance program - Cr Springfield

Motion

That Council:

1. Undertakes a review of its maintenance strategy for the unsealed road and associated drainage network and presents a report to the Council on this within 6 months.
2. This review will focus on the appropriate alignment of maintenance work between the unsealed road and adjoining drainage network to best ensure good performance outcomes for these assets.
3. The review, amongst other elements, will incorporate a SWOT analysis of current maintenance practices across Cardinia's different topographical regions to help inform future maintenance strategy development.
4. The review, amongst other elements, will also focus on the performance and maintenance of both private and public driveway/crossover culverts and how these can impact the adjoining road network.
5. This review will also provide consideration towards Council's current resource allocation for the unsealed roads and drainage maintenance program and what future resource allocations may be required to improve the ongoing performance of these assets.
6. This review and subsequent report will be used to help inform future development of the maintenance strategy for Cardinia's unsealed road and drainage network.
